THE U.S. ARMY AVIATION LOGISTICS SCHOOL

THE AVIATION FAMILY

Today, I NATHIAN D. MYERS become a member of the most elite group in the Armed forces of the United States – I become a member of the United States Army's Aviation Family.

I fully understand that I am a professional. I have been taught by professionals who felt that I am worthy to join this elite family; otherwise, they would not allow me to be here today.

I realize the awesome responsibilities I have as a member of this family, for those before me have set the principles this family sustains. They gave their blood so that others may live to carry out the mission. I also realize that if I fail, I may cause the loss of blood or lives of others.

Knowing the obligations and standards of the Aviation Family, I do solemnly swear or affirm that:

a. When assigned to work on an aircraft, I will accomplish all tasks as a professional and do all work to the best of my ability

b. When assigned as a crew chief on an aircraft, I will ensure that the aircraft forms and records are correct. I will make sure that the aircraft is inspected to guarantee there are no faults that cause the mission to fail. I know that the aircraft must always be maintained in the safest possible flight conditions.

c. When required to maintain an aircraft other than the one assigned to me, I will accomplish all maintenance as though the aircraft were my own and I were flying on it.

d. I will continually seek knowledge on aircraft maintenance, for I realize that the aircraft I work on is only as good as I am.

As a member of the Aviation Family, I understand that I am a soldier. I will always accomplish all tasks to the highest possible standards. I will protect my country and am prepared, if need be, to give my life in its defense.

Today, I sign this contract of my own free will, knowing that there will be no repercussions held against me if I do not. I will sign this contract as though my signature were in blood, for today I am a United States Army Aviation Family member.

Signed this 27TH day of MAY in the year of our Lord 2004 .
